

"This month we will focus on ISA training for the remainder of the year:

Did you know many ISA courses are held locally at Cerritos, CA? For example in the next few months, the Cerritos location will host courses in:

10/5	Installing, Calibrating & Maintaining Instruments
10/8	Certified Maintenance and Reliability Technician Exam & Review
10/19	Certified Control Systems Technician
11/2	Introduction to Safety Instrumented Systems for Process
11/3	Safety Instrumented Systems, Design, Analysis Levels Exam Courses

For more information, go to [isa.org/training/2015](http://isa.org/training/2015)

In addition to in-class training, ISA also has over 900 online courses and over 100 recorded web seminars. Subjects range from controls basics, PLC, measurements, safety, machine operations, pneumatic, valves, and other instrumentation. Most courses are from introductory to immediate levels, and they are available starting at around \$70 each for online courses and at \$200 each for online web seminars. See [lms.isa.org/Catalog/TrainingCatalog.aspx](http://lms.isa.org/Catalog/TrainingCatalog.aspx) for a comprehensive list.
